1. Happy Monday bonus

1. The Happy Monday bonus is granted to players registered on the www.mozzartbet.ro platform, based on the activity registered during a week (starting every Monday at 0.00 a.m. until Sunday at 11.59 p.m.). The activity registered during a week will be evaluated according to a calculation algorithm that will take into account the following criteria indicated by way of example: the total number of accesses to the platform, the value of the stakes placed in play during the week, the loss/win ratio.
2. Depending on the activity registered during the previous week, each player may be eligible to receive the Happy Monday Bonus.
3. The Happy Monday bonus is awarded individually to players and will be transferred to the game account every Monday at 9:00 AM. The bonus has no rollover conditions, being immediately available to participate in the game of chance (casino or online betting) or to withdraw.
4. The bonus will be activated in the account as soon as it is accepted.
